COVER LETTER

This letter is to express my interest in your posting for an experienced, detailed-oriented, front end web developer. With 4 years of hands-on experience efficiently coding websites and applications using Angular 1, Angular 4/5, React JS, Ember JS, HTML5, CSS, Javascript, Ruby on Rails, Laravel and WordPress, I am confident I will be an excellent addition to your organization.

Building state-of-the-art, easy to use, user-friendly websites and applications is truly a passion of mine. I actively seek out new technologies and stay up-to-date on industry trends and advancements.

Continued education has allowed me to stay ahead of the curve and deliver exceptional work to each employer I've worked for - both full-time and contract.

Key strength

- Knowledge on both Frontend and Backend Technologies
- 30% Repeating rate on Freelancer
- Good knowledge in Website development
- Learn new Technologies and Tools
- Use IDEs for quick delivery
- Knowledge on Linux and Windows OS
- Hard Working, Sincere and Reliable
- Having self confidence and adaptability to change

I've attached a copy of my resume that details my experience, along with links to the various websites and applications I've had the honor of working on.

I can be reached anytime via my cell phone, +91 8943648198, +91 8589961286 or via email at sibinx7@gmail.com/sibinx7@outlook.com. Thank you for your time and consideration. I look forward to speaking with you about this opportunity.
